We're proud to present B'Midbar – a limited collection of luxury villas in a prime location, just a stone's throw from the crater. Each villa spans three floors, offering around 300 square meters of meticulously designed living space. Every villa includes a private pool and two guest suites approved by the Ministry of Tourism, transforming each home into a luxurious hosting experience. The project is managed by a professional company handling all property needs, including short-term (Airbnb) or long-term rentals.
